

Dear Preschool Director,

We hope your families were able to attend Ready, Set...Kindergarten! in January. Now it's time to make a reservation for kindergarten and complete enrollment at the school. This will connect your families with the elementary school to be sure they receive up-to-date information about kindergarten orientation and back-to-school events.

Enclosed you will find ***Time to Get Ready for Kindergarten!*** flyers. These handouts contain step-by-step directions for your families to enroll their child. Please send home a flyer with each child in your program who will be attending kindergarten next year.

Thank you for your help in getting this information out to families and supporting them through the transition process. If you have questions or need additional information, please contact the Pinellas County Schools Early Childhood Department at 727-588-6097.
